

USA & UK INSTRUCTIONS FOR USE

1. To set the time on your watch, gently pull the crown out as far as it will go. Turn crown in the desired direction until correct time is displayed.
2. To finish setting the time, firmly push the crown back in until the watch's second hand begins to move normally.
3. To set the watch's calendar function (if applicable) gently pull the crown out by one click. Turn the crown counter-clockwise until the correct date appears. Firmly push the crown back in when finished.

WARRANTY

All watches in the Military Watch Collection carry the Eaglemoss stamp of approval. Each quality timepiece includes a precision quartz movement and is water resistant.

Each watch is guaranteed for a period of 24 months from the date of purchase. The warranty covers any and all original defects in materials or production proved to have existed at the time of sale.

The warranty does not cover batteries, straps or bracelets; damage resulting from an accident, normal wear, aging, negligence, misuse, abuse or from unauthorized intervention; loss or theft; incidental or consequential damage arising from the failure or malfunction of the watch, or from any inappropriate usage, lack of precision, malfunction or lack of conformity of the watch.
